

CHF Solutions, Inc. Announces 53 Percent Increase in Revenues for Second Quarter 2019 Over Previous Year and 38 Percent Increase from Q1 2019

August 6, 2019

EDEN PRAIRIE, Minn., Aug. 06, 2019 (GLOBE NEWSWIRE) -- CHF Solutions, Inc. (Nasdaq: CHFS), a medical device company focused on developing, manufacturing and commercializing a clinically proven alternative to diuretics for the treatment of fluid overload, announced today its results for the second quarter ended June 30, 2019, which included the following highlights:

- Revenue for second quarter ended June 30, 2019 was \$1.7 million, an increase of 53 percent compared to the same period of the prior year, and 38% sequentially from Q1 2019. Gross margin percentages increased to 50 percent from 21 percent during the same period a year ago, after transition to in-house manufactured inventory.
- Opened 7 new hospitals and hospital systems. In Q3 expect to open more than 10 new accounts including several new hospital systems.
- Increased field education specialists from 5 to 14 to support new account launches and rapid growth.
- Continued progress towards obtaining regulatory clearance for an expanded label in pediatrics. Pre-submission meeting with the FDA held in May 2019; submission expected in Q3 2019 and clearance in Q4 2019.
- Working with a large hospital system in New York on a 700 patient retrospective study to evaluate the clinical impact of utilizing the Aquadex FlexFlow® system on post-surgery patients, and with a large hospital in Philadelphia on a 344 patient retrospective study to evaluate the impact of ultrafiltration on fluid removal, renal outcomes, and readmission rates.

"We continue to deliver impressive double-digit increase in our revenue, and we believe we are well-poised to continue to grow in the quarters to come," said John Erb, chairman and CEO of CHF Solutions. "We will continue to develop and refine our strategic focus toward driving revenue, which is the key metric our employees, shareholders and potential investors use to measure performance."

About CHF Solutions

CHF Solutions, Inc. (NASDAQ:CHFS) is a medical device company focused on developing, manufacturing and commercializing the Aquadex FlexFlow system for aquapheresis therapy. The Aquadex FlexFlow system is a clinically proven therapy that provides a safe, effective and predictable method of removing excess sodium and fluid from patients suffering from fluid overload. The Aquadex FlexFlow system is indicated for temporary (up to eight hours) ultrafiltration treatment of patients with fluid overload who have failed diuretic therapy, and extended (longer than 8 hours) ultrafiltration treatment of patients with fluid overload who have failed diuretic therapy and require hospitalization. All treatments must be administered by a healthcare provider, under physician prescription, both of whom having received training in extracorporeal therapies. The company's vision is to change the lives of fluid overloaded patients through science, collaboration, and innovative medical technology. CHF Solutions is a Delaware corporation headquartered in Minneapolis, Minnesota with wholly owned subsidiaries in Australia and Ireland. The company has been listed on the NASDAQ Capital Market since February 2012.

Forward-Looking Statements

Certain statements in this release are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including without limitation, statements regarding the Company's ability to grow revenue and add new accounts in future quarters and the timing of the regulatory clearance for an expanded label in pediatrics. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this release, including, without limitation, those risk associated with our ability to execute on our commercialization strategy, the possibility that we may be unable to raise sufficient funds necessary for our anticipated operations, our post-market clinical data collection activities, benefits of our products to patients, our expectations with respect to product development and commercialization efforts, our ability to increase market and physician acceptance of our products, potentially competitive product offerings, intellectual property protection, our ability to integrate acquired businesses, our expectations regarding anticipated synergies with and benefits from acquired businesses, and other risks and uncertainties described in our filings with the SEC. Forward-looking statements speak only as of the date when made. CHF Solutions does not assume any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
